

# High Plains Technology Center

## College Credit Now!!!!

Attend **High Plains Technology Center** your Jr. and Sr. year in one of the programs listed to the right, to receive your certificate in that program from HPTC. While you are at HPTC, be concurrently enrolled at NOC, Northern Oklahoma College, or Oklahoma State University Institute of Technology, and earn college credit **without having to complete any extra course work than your are already completing in your HPTC program.** This college credit will only cost you a fee of \$8.00 a credit hour, versus \$100.00 or more a credit hour later. **Check out the tuition comparison chart in this brochure!** It will help you complete your college degree early and save

money. Who doesn't like the sound of that???

In the Welding Program, a student can earn up to 32 college credit hours.

NORTHERN OKLAHOMA COLLEGE			
TUITION COMPARISON CHART—3 CREDIT HOURS			
Tonkawa	Enid	Stillwater	Career Tech Student
\$197.00	\$236.00	\$490.53	\$24.00

**Find your TRUE PASSION through  
CAREER CLUSTERS**

Tech Prep is a partnership between community colleges, technology centers and school systems. The focus of this partnership is to provide students with a seamless transition from high school to a postsecondary degree or certificate to the workplace. Tech Prep keeps students engaged in high school and often continuing into post-secondary education with the direction and motivation needed to succeed.

Tech Prep integrates academic and technical instruction. Tech Prep educates students about career choices through individualized programs that enhance the educational experience.

For more information regarding the numerous opportunities available through Tech Prep, please contact Katrina McDowell at 580-571-6177.
